## RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

### HOUSE RESOLUTION 1026

Offered by Representative Berrios:

WHEREAS, Dog control problems are created by people and are not limited to a breed or mix; singling out breeds of dogs as vicious or banning them only shifts the responsibility from the dog owner, where it belongs, to the breed of dog and does not solve community dog problems; and

WHEREAS, Banning a breed or declaring it inherently vicious punishes responsible dog owners and drives conscientious citizens out of communities; irresponsible owners, who often raise dogs to be vicious, are often not law abiding citizens and will only turn to another breed to continue their criminal activities;

and

WHEREAS, Banning a breed or particular mix of breeds punishes those dogs that serve important community functions, including therapy dogs, assistance dogs for handicapped owners, search and rescue dogs, drug-sniffing dogs, and police dogs and drives them out of the community; and

WHEREAS, Breed bans that target "pit bulls" cannot be enforced because "pit bull" is a generic term that refers to many different breeds and mixes; the American Veterinary Medical Association and several state veterinary medical associations are on record as opposing breed-specific legislation because breeds and mixes are hard to identify; and

WHEREAS, Breeds that have been recently labeled by the media as vicious have a long and commendable history of serving man; to label all as vicious for the actions of a few is wrong; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the State of Illinois should encourage municipalities not to enact breed-specific bans; instead, municipalities are encouraged to establish programs that educate residents and pass laws targeting irresponsible dog owners rather than their dogs; and be it further

RESOLVED, That municipalities should be encouraged to address animal attacks by enforcing laws that encourage responsible and humane treatment of dogs and all other animals; teaching communities about responsible dog ownership, creating awareness, and punishing illegal dog fighting are effective strategies for keeping communities safe.

#### HOUSE RESOLUTION 1029

Offered by Representative Jakobsson:

WHEREAS, the House of Representatives of the Ninety-Fourth General Assembly has supported measures to help reduce waste and protect Illinois' environment; and

WHEREAS, Illinois school districts have supported pro-environment education in the classroom and in the school district with goals to encourage students to reduce, reuse, and recycle; and

WHEREAS, The State of Illinois through the Department of Commerce and Economic Opportunity offers grants to school districts through the Illinois Zero Waste Schools Grant Program to help reduce waste; and

WHEREAS, According to the U.S. Environmental Protection Agency, in 2003 the United States produced more than 236 million tons of solid waste, which amounts to 4.5 pounds per day per American; and

WHEREAS, According to the U.S. Environmental Protection Agency, in 2003 72 million tons of waste was diverted from disposal due to recycling; and

WHEREAS, According to the U.S. Environmental Protection Agency, recycling prevents the emission of many greenhouse gases and water pollutants, saves energy, supplies valuable raw materials to industry, creates jobs, stimulates the development of greener technologies, conserves resources for our children's future, and reduces the need for new landfills and combustors; and

WHEREAS, Recycling helps reduce greenhouse gas emissions that effect global climate; and

WHEREAS, The House of Representatives of the State of Illinois encourages recycling in schools cafeterias without requiring a fiscal mandate on school districts; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge all Illinois school districts to provide recycling containers in all Illinois public school cafeterias to allow and encourage students to recycling and help reduce waste in Illinois; and be it further
